

LANDSCAPE MAINTENANCE TEAM LEADER:

Based on continued growth, Paige Landscape Company, Inc. seeks to fill multiple Landscape Maintenance Team Leader positions in its Walpole location. These non-exempt positions help the company accomplish its goals by performing various property maintenance involving clean-ups, mulching, mowing, pruning, and snow services. These positions must be able to operate diverse landscape tools and equipment (e.g., mowers, string trimmers, blowers, skid steer) as required on assigned job sites.

In specific, the Landscape Maintenance Team Leaders are directly responsible for contributing to company success by:

- (1) Leading the daily field activities of a high-performing maintenance crew,
- (2) Demonstrating excellence by achieving employee safety, job quality, and customer service goals,
- (3) Improving job profitability through employee training, labor efficiency, and team morale, and
- (4) Serving as a role model by encouraging other talented candidates to join Paige Landscape Company, Inc.

Optimal candidates will have at least two years of professional landscaping and snow services experience, a valid driver's license, and the sincere commitment to improve customer service quality on every level. These positions will be paid at a competitive rate based on industry-wide standards associated with commensurate skills and experience.

Paige Landscape Company, Inc. is a contractor specializing in commercial landscape maintenance, design build and snow services. We are committed to providing our clients with the highest level of workmanship, strict attention to detail and unsurpassed customer satisfaction. We combine consistent and reliable service, sound horticultural practices and expertise, with an innovative approach to business, management, and uncovering solutions.
